Velukkudi Sri U. Ve. Krishnan swami is an erudite scholar who has given innumerable discourses spanning countless hours on Sanatana Dharma, Bhagavad Gita, Srimad Ramayanam and many other sacred works. For an individual from Southern India, he needs no introduction as he visits every home each morning via television educating on ways of life based on Sanatana Dharma. Based on our preceptor's commentaries, Sri. Velukkudi Krishnan's discourses demystify GOD, bring forth in a lucid manner our inherent relation to GOD and suggest steps towards a meaningful life.
