

@ 1975: GBC RESOLUTIONS, March 1975

1) Jayatirtha presented a definition of GBC, which was accepted as follows:

Resolved: The GBC (Governing Body Commissioned) has been established by His Divine Grace A.C. Bhaktivedanta Swami Prabhupada to represent Him in carrying out the responsibility of managing the International Society for Krishna Consciousness of which He is the Founder-Acarya and supreme authority. The GBC accepts as its life and soul His divine instructions and recognizes that it is completely dependent on His mercy in all respects. The GBC has no other function or purpose other than to execute the instructions so kindly given by His Divine Grace and preserve and spread his Teachings to the world in their pure form.

It is understood that the GBC, as a collective body of 14-members has been authorized by His Divine Grace to make necessary arrangements for carrying out these responsibilities of management. These arrangements may include delegating authority, managing resources, setting objectives, making plans, calling for reports, evaluating results, training others, maintaining spiritual standards and defining sphere of influence of the various GBC members as well as other devotees.

The members of the GBC do not have any inherent authority but rather derive their authority from the Governing Body Commission itself and ultimately from His Divine Grace. Their authority may be over a particular geographic area or over a particular function. Whichever area of responsibility be given to the various members their primary responsibility is to the society as a whole.

2) Resolved: A GBC member should not consider himself as the whole GBC, but as a member or commissioner, commissioned by the whole Governing Board.

3) Resolved: The Governing Board may authorized one of its commissioners to go to any GBC member to get a report from him on his activities. The GBC member must co-operate and give the Board his report.

4) Resolved: If a GBC man whose behavior is in question does not co-operate, Srila Prabhupada and the GBC must immediately be informed.

5) Resolved: The selection of GBC members is that Srila Prabhupada will nominate, and if there is a discrepancy, His Grace will change him. There will be no elections, and the present GBC member will remain.

6) Resolved: An annual oath of allegiance should be signed by each GBC and Temple President.

7) Resolved: Committees may be formed from time to time by His Divine Grace for a certain purpose and may be disbanded by Him.

2) Resolved: An information card will be kept on each devotee, containing personal information. It will be kept on file at the temple he is staying in, and another copy will be kept by the GBC. The card will be transferred wherever the devotee is.

3) Resolved: If a devotee wants to change temples, his present President should agree as well as the new temple president. The GBC member may be consulted if there is disagreement.
